Important Note: "Spirit Dance" is the only healing modality that balances the body, mind, and spirit simultaneously.

### ***Host a Spirit Dance event in your area at no cost and earn income***

**Here's how it works:** There is a minimum registration requirement of 20 participants per event hosted/sponsored. Two thirds of the fees collected for the event are paid to Spirit Dance and the other 1/3 is paid to the host/sponsor. Any event fees collected above the minimum requirement of 20 participants shall be split 50-50 between Spirit Dance and the host/sponsor. Should the host/sponsor not achieve the minimum number of 20 pre-registrations, the host/sponsor can simply cancel the event, refund money, or create a new date for the event to insure participation.

Event registration options available to participants: 1. Go to [www.newdayhealing.net](http://www.newdayhealing.net) and purchase a minimum of 2 Music CD's of your choice to get free admission (please bring your purchase receipt to event); 2. Pay \$20 at the event sponsor's location or on their website as provided; 3. Pay \$25 at the event.
